Numbers 26-30

A. Listen, say and count after your teacher. Read.

26 27 28 29 30

B. Read and write.

26 27 28

29 30

C. Game.

Teacher will distribute number cards or wooden or plastic numbers like 0, 2, 3, 6, 7, 8, 9. Then teacher will say any number like 28. Students who get these two cards (2 and 8) will make the number and show it in the class.
