How does a plant grow?

A. Look, listen and say.

On Sunday, Rima's father gives her a seed.

On Monday, Rima puts soil in a pot.

She then puts the seed into the soil.

Rima waters the seed on Tuesday.

How does a plant grow?

B. Look, listen and say.

On Wednesday, Rima puts the pot in the sun.

Rima waters the seed again on Thursday.

On Friday, Rima waits.

On Saturday, Rima sees something in the pot. It's a small plant with two leaves!
