A rhyme

A. **Listen to the rhyme and recite with your teacher.**

Family

Come with me, and meet my family
Mother, father, sister, brother and me.
There are some more members I tell you
Grandpa, grandma, uncle, aunt and cousins too
We spend time together
And help one another.
I love them, and they love me
We are all a happy family.

B. **Group work: Read the rhyme and find out how many family members there are.**

C. **Recite the rhyme in chorus.**
